# UTKARSHA MEDHEKAR

Btech15148.22@bitmesra.ac.in | GitHub: https://github.com/Utkarsha2003

#### **EDUCATION**

#### B. Tech, Computer Science

Birla Institute of Technology, Mesra Expected May 2026 | Patna, India Current CGPA: 7.69/10.0

#### **AISSCE**

Delhi Public School, Ranchi Percentage: 94.5%

#### AISSE

Surendranath Centenary School, Ranchi

Percentage: 92.83%

#### **COURSEWORK**

- Data Structures & Algorithms
- Object-Oriented Programming
- Design and Analysis of Algorithms
- Operating Systems
- Database Management Systems (DBMS)

#### TECHNICAL SKILLS

### **Programming Languages**

- Java
- C/C++
- JavaScript
- HTML
- CSS

## **Tools:**

- Development Tools: VMware, Git, Visual Studio Code, GitHub
- Forensics Tools: Autopsy

## **PROJECTS**

## **Gym Website**

HTML / CSS

 Crafted an engaging frontend for a state-of-the-art gym website, optimizing user experience with seamless navigation, intuitive links, and a user-friendly registration form.

## Food Website

HTML / CSS

 Designed a fully responsive frontend for a modern food website, enhancing user engagement with intuitive navigation and captivating design. Implemented seamless links for effortless exploration of the platform's offerings.

#### **Google Assistant Clone**

Python

 Created a personalized Google Assistant using the Gemini API, offering tailored assistance and streamlined interactions for enhanced user experience.

## **EXPERIENCE**

## Smart India Hackathon, 2023 Birla Institute of Technology, Patna

## • UX & UI Design: Worked as UI & UX designer for the presentation and website.

• **Project Manager:** Managed the website development, addressing the needs of the audience and app services.

## Smart India Hackathon, 2024 (Ongoing) Birla Institute of Technology, Patna

- UX & UI Design: Currently working as UI & UX designer for the presentation and website.
- Project Manager: Overseeing website development, ensuring it meets audience needs and app service requirements.
- Frontend Developer: Developing the frontend for the website.

## Summer Internship in Cybersecurity and Blockchain

Birla Institute of Technology, Mesra, Ranchi *June 10 - July 10, 2024* 

### • Blockchain Transactions and Smart Contracts:

- Executed over 50 transactions using a dummy Ethereum blockchain, gaining hands-on experience with blockchain mechanics.
- Developed 10+ smart contracts for various functions, such as storing client information and performing arithmetic operations, resulting in a 30% increase in efficiency for data handling tasks.
- Learned to generate a blockchain block, contributing to the creation of a test blockchain network with 5 blocks.
- Autopsy & Forensic Analysis:
- Utilized Autopsy to analyze and extract geolocation data from 20+ images and examined metadata from 100+ files within the system.
- Identified and documented 15 critical pieces of information through metadata and file structure analysis, aiding in forensic investigations.
- Basic Hacking & Security Skills:
- Conducted 10+ basic hacking activities using Kali Linux, including retrieving passwords from test systems to simulate real-world penetration scenarios.
- Gained practical experience in ethical hacking, contributing to a simulated vulnerability assessment that identified 5 critical vulnerabilities.
- Security Standards & Regulations:
- Acquired knowledge about the Data Protection and Digital Privacy Act (DPDP) 2023, including the impact on data privacy and protection for 3 hypothetical organizational case studies.
- Studied ISO certification standards and contributed to a compliance report, improving understanding of organizational security by 25%.
- Analyzed and evaluated security posture through simulated assessments, identifying 10 areas for improvement in organizational security measures

### **ACHIEVEMENTS**

- 2nd Runner-Up, All Jharkhand UCMAS Abacus & Mental Arithmetic Competition
- 2nd Runner-Up, Interschool Badminton Competition
- 2nd Prize, School Singing Competition

## **EXTRACURRICULAR ACTIVITIES**

- Led and coordinated TECHNIKA, increasing event attendance by 50% and receiving positive feedback from over 200 participants.
- Participated in various interschool competitions.
- Engaged in school-level sports and cultural events
